**Tandem T1 Endorsement Training
 and Flight Training Log**

This document certifies that T1 candidate _____ has completed all of the theoretical study requirements of the tandem endorsement and is authorized to perform tandem flights with HPAC rated pilots (minimum H2/P2 as appropriate) acting in the role of "Student/Passenger", without direct supervision.

This document also serves as an official record of the mandatory tandem flights required before the candidate can receive a T1 rating sign-off and is authorized to fly tandems with non-rated pilots.

This document must be carried by the pilot seeking a tandem endorsement. When complete, this flight log must be returned to the issuing Tandem II Senior Instructor before the final T1 Endorsement Recommendation Form, together with this document, is sent to HPAC.
